Dear Shareholders,

The past year has been a period of strategic growth and resilience for **Investment & Precision Castings Limited (IPCL)**. Our dedicated aerospace and defence plant, now approved by a leading USA-based aerospace company, has solidified our position in these critical sectors.

Additionally, our commitment to sustainability is demonstrated by our investments in windmills and natural gas, which align with the environmental requirements of our USA and European clients. These initiatives are not only beneficial for the environment but also position us favourably in a competitive market. We are also actively working on Solar Plant and carbon credits, further reinforcing our commitment to environmental sustainability.

Our workforce is an integral part of our success, and we are proud to report that women employees now constitute over 5% of our total strength.

The "Make in India" initiative has opened new avenues for us in the defence sector, promising substantial growth opportunities. Moreover, the Indian automotive industry is expected to see significant growth in combustion engine vehicle sales, with projections indicating continued growth until 2030. This presents additional prospects for our company.

We remain committed to delivering high-quality products and achieving excellence in every aspect of our operations.

Thank you for your continued support.

Piyush Tamboli

Chairman & Managing Director

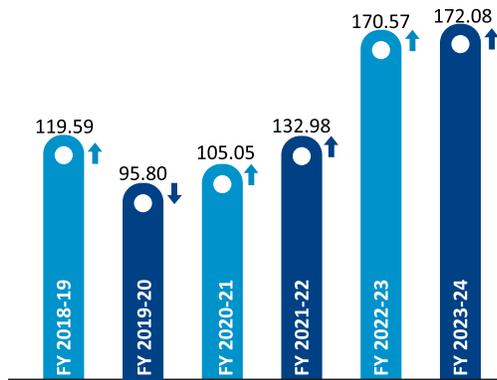

Dear Shareholders,

This year, IPCL has made significant strides in enhancing our operational efficiency and expanding our market reach. FY 23-24 saw a reduction in long-term borrowings as well as improvement in ROCE. Our advanced manufacturing capabilities have enabled us to produce high-grade, complex investment castings that meet the stringent standards of the aerospace and defense industries. We are proud of our dedicated plant for these sectors, which has been approved by a prominent USA-based aerospace company. Furthermore various other aerospace companies are working with I&PCL to initiate several projects. The "Make in India" initiative presents us with robust growth prospects in the aerospace & defense sector, and we are poised to leverage this opportunity to its fullest. Our focus on innovation, quality, and customer satisfaction remains unwavering, and we are confident in our ability to deliver superior value to our shareholders.

[Pursuant to section 204(1) of the Companies Act, 2013 and rule 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **M/s. Investment & Precision Castings Limited (CIN: L27100GJ1975PLC002692)** (hereinafter called "the Company"). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

Based on my verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, we hereby report that in our opinion, the Company has, during the audit period covering the **Financial Year ended on 31st March, 2024 ('Audit Period')** complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed out of which **mostly all the forms were done on time but some forms were filed with late fees due to either technical glitch in the website of MCA or due to other reasons** of the form filing dates and other records maintained by the Company as per Annexure –A for the Financial Year ended on 31st March, 2024 according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made there under;
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made there under;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed there under;
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made there under to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act')
- (vi) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
- (vii) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
 - (a) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009–
 - (b) The Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014–;
 - (c) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008–;
 - (d) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client–;
 - (e) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009–;
 - (f) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018;
 - (g) The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015

I further report that, having regard to the compliance system prevailing in the Company and on examination of the relevant documents and records in pursuance thereof, on test-check basis, the Company has complied with the following laws applicable specifically to the Company:

- (a) Factories Act, 1948 and Rules made thereunder;

I, have also examined compliance with the applicable clauses of the following:

(i) Secretarial Standards with respect to Meetings of Board of Directors (SS-1) and General Meetings (SS-2) issued by The Institute of Company Secretaries of India.

(ii) The Uniform Listing Agreement entered into by the Company with Stock Exchanges pursuant to the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and other applicable regulations /guidelines/circulars as may be issued by SEBI from time to time.;

During the period under review of the Companies Act, 2013 and the rules made thereunder with the other provisions of the Acts, Rules, Regulations, Guidelines, Standards, mentioned hereinabove and there is adequate compliance management system for the purpose of sector specific laws applicable to the Company. We have relied on the representations made by the company and its representatives for systems and mechanisms formed by the Company for compliances under sector specific laws and regulations applicable to the Company.

I further report that

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Companies Act 2013 and the rules made there under.

Adequate notice is given to all directors to schedule the Board Meetings, agenda and was sent seven days in advance in all cases except cases where Shorter Notice was given, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

I further report that there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable sector specific laws, rules, regulations and guidelines.

I further report that during the audit period of the Company there were no specific events / actions having a major bearing on the Company's affairs in pursuance of the above referred laws, rules, regulations, guidelines, standards, etc.

I further report that the Secretarial audit report has been purely made on the basis of data provided by the company.

Global Investment Casting Market will have Steady and Robust Growth in recent years and is anticipated to maintain this positive progression until 2032. One notable trend within the Investment Casting market is the growing preference for sustainable and eco-friendly products

By 2031, the global Investment Casting market size is projected to reach \$27.47 billion when compared to the figures observed in 2023 \$ 18.30 billion, displaying 5.20% Compound Annual Growth rate.

The automotive and aerospace industries are experiencing a growing demand for lightweight components to improve fuel efficiency and reduce emissions. Investment casting offers the capability to produce intricate and lightweight parts with excellent mechanical properties. For example, investment casting is widely used in the aerospace sector to manufacture turbine blades, where weight reduction is critical for enhancing engine performance.

SWOT Analysis

STRENGTHS

- Advanced manufacturing capabilities in investment casting.
- Diverse industry applications including automotive, aerospace, and medical.
- High-quality and complex casting production.
- Dedicated aerospace and defense plant approved by a leading USA-based aerospace company.

- Dependency on specific industries may risk exposure to sector downturns.
- Highly capital intensive for setting up manufacturing facilities.

WEAKNESSES

OPPORTUNITIES

- Expansion into new markets and industries.
- Technological advancements improving efficiency and quality.
- Growing demand for precision castings in emerging markets.
- Under "Make in India," significant business opportunities in defense as the government promotes local manufacturing.
- Initiatives for carbon credits through windmills, solar, and natural gas installations, meeting USA and Europe customer requirements.

- Economic downturns affecting key industries.
- Increasing competition from global players.
- Fluctuating raw material prices impacting costs.

THREATS

Operational Review

1. Key Projects and Developments

Complex Aluminum casting project for critical application in the field of civil and defense aviation for foreign OEM and Government PSUs.

Vacuum Investment casting in super alloy material developed for defense aero engine sub systems and more.

2. Technological Advancements

Complex ceramic core development for Nickel Based super alloy castings.

Market and Industry Analysis

I&PCL has majority market share in Passenger and commercial Vehicle along with significant share in all other vehicle categories. The Automobile Sector for Investment casting is witnessing stiff competition from competitors which can increase pricing Pressure. Management has deployed sustainable policies to maintain the business and get new opportunities through best Quality, Cost and Delivery functions.

There is significant opportunity to grow in the non-automotive sectors such as Instrumentation, Power Generation, Pumps and Valves, Medical, Turbo Chargers, etc, this comes with challenges such as complex parts, low volume and high variety product mix, special processes that IPCL is well placed to overcome through improvements in processes and infrastructure and is determined to increase the market share in these segments.

Future Plans and Strategies

1. Growth Strategies

To explore high end application parts having better value addition from Non-Automotive Market

To focus on business opportunity in domestic and international market clientele from Aerospace and Defense Industry.

2. Upcoming Projects

Projects from various segments like Agriculture, Off Road, Instrumentation, Railway and Automotive, Medical are under active discussion and in the conclusive stage

INDEPENDENT AUDITOR'S REPORT

To
The Members of
INVESTMENT & PRECISION CASTINGS LIMITED
Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of **Investment & Precision Castings Limited** ("the Company") which comprise the Balance Sheet as at 31st March 2024, the statement of profit and loss including other comprehensive income, the statement of changes in equity and the statement of cash flows for the year then ended and notes to the financial statements, including a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ('Ind AS') and the other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March 2024, of its profit including other comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis

for our opinion on the standalone financial statements.

Key audit matters

Key audit matters are those matters that, in our professional judgment were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in our forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined the matters described below to be the key audit matters to be communicated in our report:

Key Audit Matter:

Revenue from the sale of goods ("Revenue") is recognized when the Company performs its obligation to its customers, the amount of revenue can be measured reliably and recovery of the consideration is probable. The timing of such recognition is when the control over the same is transferred to the customer, which is mainly upon delivery. The timing of revenue recognition is relevant to the reported performance of the Company.

Auditor's Response:

Our audit approach was a combination of test of internal controls and substantive procedures including assessing the appropriateness of the Company's revenue recognition accounting policies in line with Ind AS 115 ("Revenue from Contracts with Customers") and testing thereof; evaluating the integrity of the general information and control environment and testing the operating effectiveness of key controls.

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report, Management Discussion and Analysis, Shareholder's Information, but does not include the standalone financial statements and auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the

standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that

includes our opinion. Reasonable assurance is high level of assurance, but is not a guarantee that audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatements of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of the internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our

conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosure, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India terms of sub-section (11) of section 143 of the Act, we give in the Annexure – A, a statement on the matters specified in clause 3 and 4 of the Order, to the extent applicable.
2. As required by section 143(3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the

purpose of our audit;

- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
- c) The balance sheet, the statement of profit and loss including other comprehensive Income, statement of changes in equity and the cash flow statement dealt with by this report are in agreement with the books of account;
- d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2015;
- e) On the basis of written representations received from the directors as on 31st March 2024, and taken on record by the Board of Directors, none of the directors is disqualified as on 31st March 2024, from being appointed as a director in terms section 164(2) of the Act;
- f) With respect to the adequacy of internal financial controls over financial reporting of the Company and operating effectiveness of such controls, our separate report in annexure – B may be referred;
- g) In our opinion and to the best of our information and according to the explanations given to us, remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 read schedule V of the Act.
- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanation given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its standalone financial statements;
 - ii. The Company did not have any long-term contracts including derivatives contracts for which there were any material foreseeable losses;

- iii. There has been no delay in transferring the amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
- iv. a. The Management has represented that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entities (“Intermediaries”), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - b. The Management has represented, that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been received by the Company from any person or entity, including foreign entities (“Funding Parties”), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - c. Based on such audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) above, contain any material misstatement.
- v. The dividend declared or paid during the year by the Company is in compliance with section 123 of the Act.
- vi. Based on our examination which included compliance test and test checks, the Company has used the accounting software for maintaining books of account which has a feature of recording audit trail (edit log) facility and the same has been operated throughout the year for all transactions recorded in the software. Further, during the course of our audit, we did not come across any instance of audit trail feature being tampered with.

ANNEXURE – A TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

On the basis of such checks as we considered appropriate and in terms of information and explanations given to us, we state that:

1 In respect of property, plant and equipment:

- a. The Company has maintained proper records showing full particulars including quantitative details and situation of property, plant and equipment.
- b. The Company has maintained proper records showing full particulars of intangible assets.
- c. Property, plant and equipment were physically verified by the management at reasonable intervals in a phased manner in accordance with a programme of physical verification. No material discrepancies were noticed on such verification.
- d. The title deeds of immovable properties (other than properties where the Company is the lessee and the lease agreements are duly executed in favour of the lessee) disclosed in the financial statements included under property, plant and equipment are held in the name of the Company.
- e. The Company has not revalued any of its property, plant and equipment (including right of use assets) or intangible assets during the year.
- f. There are no proceedings initiated or are pending against the Company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 as amended and Rules made thereunder.

2

- a. The physical verification of inventory has been conducted at reasonable intervals by the Management during the year and, in our opinion, the coverage and procedure of such verification by Management is appropriate. The discrepancies noticed on physical verification of inventory as compared to book records were not 10% or more in aggregate for each class of

inventory.

- b. The Company has been sanctioned working capital limits in excess of Rs. 5 crores, in aggregate, from banks on the basis of security of current assets of the Company. The quarterly returns or statements filed by the Company with such banks are generally in agreement with the books of account. The average under reported difference is not material which is on account of valuation, provisions etc. during the course of audit subsequent to the submission of such returns or statements.
- 3 In respect of investments, guarantees or securities provided or loans or advances in the nature of loans granted by the Company:

- a. The Company has not provided any loans or advances in the nature of loans or stood guarantee or provided security to any other entity during the year except:

Particulars	Loans (₹ in lacs)
Aggregate amount granted during the year to others	38.26
Balance outstanding - Others	86.51

- b. The terms and conditions of the grant of these loans are not prejudicial to the interest of the Company.
- c. In respect of loans granted by the Company, the schedule of repayment of principal has been stipulated and the repayments are regular.
- d. There is no overdue amount in respect of loans granted.
- e. No loans or advances in the nature of loans granted by the Company that have fallen due during the year, have been renewed or extended or fresh loans granted to settle the overdues of existing loans given to the same parties.
- f. The Company has not granted any loans or advances in the nature of loans that are either repayable on demand or without specifying any terms or period of repayment.
- 4 The Company has complied with the provisions of sections 185 and 186 of the Act in respect of grant of loans, investments made, guarantees given and securities provided, to the extent applicable.

- 5 The Company has not accepted any deposits from public or amounts which are deemed to be deposits within the meaning of sections 73 to 76 of the Act and rules made thereunder, to the extent applicable, except for advances from customers aggregating to Rs. 52.34 lacs, which, in the opinion of the management, are accepted in ordinary course of business.
- 6 We have broadly reviewed the cost records maintained by the Company pursuant to Section 148(1) of the Act and are of the opinion that, prima facie, the prescribed cost records have been maintained. We have, however, not made a detailed examination of the cost records with a view to determine whether they are accurate or complete.
- 7 In respect of statutory and other dues:
- The Company has been regular in depositing undisputed statutory dues, including goods and service tax, provident fund, employees state insurance, income tax, cess, and other statutory dues, to the extent applicable, with the appropriate authorities during the year. There are no undisputed statutory dues outstanding for a period of more than six months from the date they became payable.
 - There are no statutory dues, which have not been deposited on account of dispute except for the followings:

Nature of Dues	Rs in lacs	Financial Year	Forum where dispute is pending
Income Tax	3.12	2002-2003	Income Tax Appellate Tribunal
Value Added Tax	8.95	2002-2003	The Commissioner of Gujarat Commercial Tax

- 8 The Company has not surrendered or disclosed any transactions, previously unrecorded in the books of account, in the tax assessments under the Income Tax Act, 1961 as income during the year.
- 9
- The Company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender.
 - The Company has not been declared willful

- defaulter by any bank or financial institution or government or any government authority.
- The term loans have been applied for the purposes for which they were obtained.
 - On an overall examination of the financial statements of the Company, funds raised on short-term basis have, prima facie, not been used for long-term purposes by the Company.
 - On an overall examination of the financial statements of the Company, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries. The Company does not have any associate or joint venture companies.
 - The Company has not raised loans during the year on the pledge of securities held in its subsidiaries.

10

- The Company has not raised any money during the year by way of initial public offer or further public offer (including debt instruments).
- The Company has not made any preferential allotment or private placement of shares or fully/partly convertible debentures during the year and hence, the requirement to report under clause 3(x)(b) of the Order is not applicable.

11

- No fraud by the Company or no fraud on the Company has been noticed or reported during the year.
- No report under sub-section (12) of section 143 of the Act has been filed in Form ADT-4 as prescribed under Rule 13 of the Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and up to the date of this report.
- The Company has not received any whistle blower complaint during the year and up to the date of this report.

- 12 The Company is not a Nidhi Company as per the provisions of the Act. The requirement to report under clause 3 (xii) of the Order is, therefore, not applicable.

13 Transactions with the related parties are in compliance with Section 177 and 188 of the Act, wherever applicable and the details have been disclosed in the financial statements as required by the applicable accounting standards.

14

- a. The Company has an internal audit system commensurate with the size and nature of its business.
- b. We have considered the internal audit reports of the Company issued till date for the period under audit.

15 The Company has not entered into any non-cash transactions with its directors or persons connected with its directors.

16

- a. The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934.
- b. The Company has not conducted any non-banking financial or housing finance activities without obtaining a valid certificate of registration (CoR) from the Reserve Bank of India as per the Reserve Bank of India Act, 1934.
- c. The Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India.
- d. There is no core investment company within the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) and accordingly the requirement to report under clause 3(xvi)(d) of the Order is not applicable.

17 The Company has not incurred cash losses in the current and in the immediately preceding financial year.

18 There has been no resignation by the statutory auditors of the Company during the year.

19 According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of

the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that the Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

20 There are no unspent Corporate Social Responsibility (CSR) amounts required to be transferred under sub-section (5) or (6) of Section 135 of the Act.

ANNEXURE – B TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 2 (f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

We have audited the internal financial controls over financial reporting of **Investment & Precision Castings Limited** ("the Company") as of 31st March, 2024 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting ("the Guidance Note") issued by the Institute of Chartered Accountants of India ("the ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by the ICAI and prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit

evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors' judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that -

(1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;

(2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the company; and

(3) Provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of

controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

Notes forming part of the financial statements for the year ended 31st March, 2024

COMPANY INFORMATION

Investment & Precision Castings Limited (the 'Company') is a public limited Company domiciled in India and incorporated on 3rd April 1975 under the provisions of the Companies Act, applicable in India. The Company is engaged in the production of investment castings. The registered office of the Company is located at Nari Road, Bhavnagar – 364 006. The equity shares of the Company are listed on Bombay Stock Exchange (BSE).

The standalone financial statements ('the financial statements') were authorized for issue in accordance with the resolution of the Board of Directors on 29th May, 2024.

1 BASIS OF PREPARATION, MEASUREMENT AND SIGNIFICANT ACCOUNTING POLICIES

1.1 Basis of preparation and measurement:

These financial statements are the separate financial statements of the Company (also called standalone financial statements) prepared in accordance with Accounting Standards ('Ind AS') notified under section 133 of the Companies Act, 2013, read together with the Companies (Indian Accounting Standards) Rules, 2015, as applicable.

The financial statements have been prepared on accrual and going concern basis. The accounting policies are applied consistently to all the periods presented in the financial statements. All assets and liabilities have been classified as current or noncurrent as per the Company's normal operating cycle and other criteria as set out in the Division II of Schedule III to the Companies Act, 2013. The Company adopts operating cycle based on the project period and accordingly, all project related assets and liabilities are classified into current and non-current. The Company considers 12 months as normal operating cycle.

The Company's financial statements are reported in Indian Rupees, which is also the Company's functional currency, and all values are rounded to the nearest lacs except otherwise indicated.

1.2 Material accounting policies:

a. System of accounting

The financial statements of the Company are prepared in accordance with Indian Accounting Standards (Ind AS), under the historical cost convention on the accrual basis as per the provisions

of Companies Act, 2013 ('Act'), except in case of significant uncertainties.

b. Key accounting estimates

The preparation of the financial statements, in conformity with the recognition and measurement principles of Ind AS, requires the management to make estimates and assumptions in the application of accounting policies that affect the reported amounts of assets, liabilities, income, expenses and disclosure of contingent liabilities as at the date of financial statements and the results of operation during the reported period. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates which are recognised in the period in which they are determined.

The Company based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

Estimates and judgements are regularly revisited. Estimates are based on historical experience and other factors, including futuristic reasonable information that may have a financial impact on the Company.

c. Property, plant and equipment

- (i) Property, plant and equipment are stated at historical cost of acquisition including attributable interest and finance costs, if any, till the date of acquisition/installation of the assets (except certain class of asset which are measured at fair value as on 1st April, 2016, the date of transition to Ind AS, as deemed cost) less accumulated depreciation and accumulated impairment losses, if any.
- (ii) Subsequent expenditure relating to property, plant and equipment is capitalised only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance costs are charged to the statement of profit and loss as incurred.

- (iii) The cost and related accumulated depreciation are eliminated from the financial statements, either on disposal or when retired from active use and the resultant gain or loss are recognised in the statement of profit and loss.
- (iv) Capital work-in-progress representing expenditure incurred in respect of assets under development and not ready for their intended use, are carried at cost. Cost includes related acquisition expenses, construction cost, related borrowing cost and other direct expenditure.
- (v) The Company depreciates property, plant and equipment on straight line value method over the estimated useful life prescribed in Schedule II of the Companies Act, 2013 from the date the assets are ready for intended use after considering the residual value.
- (vi) Intangible assets mainly represent implementation cost for software and other application software acquired/developed for in-house use and technical know-how of the Company. These assets are stated at cost. Cost includes related acquisition expenses, related borrowing costs, if any, and other direct expenditure. Intangible assets are amortized over a useful period of life of the respective assets.
- (vii) Items of stores and spares that meet the definition of property, plant and equipment are capitalised at cost and depreciated over their useful life. Otherwise, such items are classified as inventories.
- (viii) Losses arising from the retirement of and gains or losses arising from disposal of property, plant and equipment which are carried at cost are recognised in the Statement of Profit and Loss.
- (ix) Property, plant and equipment and intangible assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use. For the purposes of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or groups of assets (cash-generating units).

d. Investments properties

- a) Property which is held for long-term rental or for

capital appreciation or both is classified as Investment Property. Investment properties are measured initially at cost, including transaction costs. Subsequent to initial recognition, investment properties are stated at cost less accumulated depreciation and accumulated impairment loss, if any.

- b) Investment properties currently comprise of building.
- c) Investment properties are derecognised either when they have been disposed of or when they are permanently withdrawn from use and no future economic benefit is expected from their disposal. The difference between the net disposal proceeds and the carrying amount of the asset is recognised in Statement of Profit and Loss in the period in which the property is derecognised.

e. Investments and financial assets

(i) Investments in Subsidiary

Investments in subsidiary is recognised at cost and not adjusted to fair value at the end of each reporting period. Cost represents amount paid for acquisition of the said investments.

The Company assesses at the end of each reporting period, if there is any indication that the said investments may be impaired. If so, the Company estimates the recoverable value of the investments and provides for impairment, if any, i.e. the deficit in the recoverable value over cost.

(ii) Other investments and financial assets

Financial assets are recognised when the Company becomes a party to the contractual provisions of the instrument.

On initial recognition, a financial asset is recognised at fair value, in case of financial assets which are recognised at fair value through profit and loss (FVTPL), its transaction costs are recognised in the statement of profit or loss. In other cases, the transaction costs are attributed to the acquisition value of financial asset. However, trade receivables that do not contain a significant financing component are measured at transaction price.

Financial assets are subsequently classified measured at –

- amortised cost
- fair value through profit and loss (FVTPL)

- fair value through other comprehensive income (FVOCI).

Financial assets are not reclassified subsequent to their recognition except if and in the period the Company changes its business model for managing financial assets.

Financial asset is derecognised only when the Company has transferred the rights to receive cash flows from the financial asset. Where the entity has transferred the asset, the Company evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, financial asset is derecognised.

In accordance with Ind AS 109, the Company applies the expected credit loss ("ECL") model for measurement and recognition of impairment loss on financial assets and credit risk exposures. The Company follows 'simplified approach' for recognition of impairment loss allowance on trade receivables. Simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECL at each reporting date, right from its initial recognition. For recognition of impairment loss on other financial assets and risk exposure, the Company determines that whether there has been a significant increase in the credit risk since initial recognition.

f. Inventories

- Raw materials and stores and spares are valued at weighted average cost, including all charges in bringing the materials to the present location, or net realizable value, whichever is lower.
- Finished goods and work-in-progress are valued at material cost plus direct expenses and appropriate value of overheads or net realizable value, whichever is lower.
- Obsolete, slow moving and defective inventories are written off/valued at net realisable value during the year as per policy consistently followed by the Company.

g. Cash and cash equivalents

Cash and cash equivalents in the balance sheet comprises of balance with banks and cash on hand and short term deposits with an original maturity of three month or less, which are subject to insignificant risks of changes in value.

h. Trade receivables

A receivable is classified as a trade receivable if it is in respect of the amount due on account of goods sold or services rendered in the normal course of business. Trade receivables are recognised initially at their transaction price and subsequently measured net of any expected credit losses.

i. Equity instruments:

An equity instrument is any contract that evidences a residual interest in the assets of the Company after deducting all of its liabilities. Equity instruments which are issued for cash are recorded at the proceeds received.

j. Financial liabilities

- Financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument. Financial liabilities are initially measured at the amortised cost unless at initial recognition, they are classified as fair value through profit and loss.
- Financial liabilities are subsequently measured at amortised cost using the Effective Interest Rate (EIR) method. Financial liabilities carried at fair value through profit and loss are measured at fair value with all changes in fair value recognised in the statement of profit and loss.
- Financial liabilities are derecognised when the obligation specified in the contract is discharged, cancelled or expired.

k. Trade payables

A payable is classified as a trade payable if it is in respect of the amount due on account of goods purchased or services received in the normal course of business. These amounts represent liabilities for goods and services provided to the Company prior to the end of the financial year which are unpaid. These amounts are unsecured and are usually settled as per the payment terms. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period.

l. Revenue Recognition

- Revenue towards satisfaction of a performance obligation is measured at the amount of transaction price (net of variable consideration) allocated to that performance obligation. The transaction price of goods sold and services rendered is net of variable consideration on account of various discounts and

schemes offered by the Company as part of contract.

- (ii) Domestic sales are accounted for on dispatch from point of sale corresponding to transfer of significant risks and rewards of ownership to the buyer. Export sales are recognised on the date of mate's receipt/shipped on board signifying transfer of risks and rewards of ownership to the buyer as per terms of sales and initially recorded at the relevant exchange rates prevailing on the date of transaction.
- (iii) Export incentives are accounted for on export of goods if the entitlements can be estimated with reasonable accuracy and conditions precedent to claim are reasonably expected to be fulfilled.
- (iv) Revenue in respect of other income is recognised on accrual basis. However, where the ultimate collection of the same lacks reasonable certainty, revenue recognition is postponed to the extent of uncertainty.

m. Foreign currency transactions

- (i) Items included in the financial statements are measured using the currency of primary economic environment in which the company operates ("the functional currency"). The financial statements are presented in Indian Rupee (INR), which is the company's functional and presentation currency.
- (ii) Foreign currency transactions are initially recorded in the reporting currency at foreign exchange rate on the date of the transaction.
- (iii) Monetary items of current assets and current liabilities denominated in foreign currencies are reported using the closing rate at the reporting date. Non-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction.
- (iv) The gain or loss on decrease/increase in reporting currency due to fluctuations in foreign exchange rates are recognised in the statement of profit or loss.

n. Employee benefit expenses

- (i) Contributions to defined contribution schemes such as provident fund, employees' state insurance, labour welfare fund etc. are charged as an expense based on the amount of contribution required to be made as and when services are rendered by the employees. These benefits are classified as defined contribution schemes as the Company has no further

obligations beyond the monthly contributions.

- (ii) The Company provides for gratuity which is a defined benefit plan, the liabilities of which are determined based on valuations, as at the reporting date, made by an independent actuary using the projected unit credit method. Re-measurement comprising of actuarial gains and losses, in respect of gratuity are recognised in the other comprehensive income in the period in which they occur. The classification of the Company's obligation into current and non-current is as per the actuarial valuation report.
- (iii) The employees are entitled to accumulate leave subject to certain limits, for future encashment and availment, as per the policy of the Company. The liability towards such unutilised leave as at the end of each balance sheet date is determined based on independent actuarial valuation and recognised in the Statement of Profit and Loss.

o. Borrowing costs

Borrowing costs consist of interest and other costs that the Company incurs in connection with the borrowing of funds. Also, the effective interest rate amortisation is included in finance costs. Borrowing costs relating to acquisition, construction or production of a qualifying asset which takes substantial period of time to get ready for its intended use are added to the cost of such asset to the extent they relate to the period till such assets are ready to be put to use. All other borrowing costs are expensed in the statement of profit and loss in the period in which they occur.

p. Taxation

- (i) Current income tax is recognised based on the estimated tax liability computed after taking credit for allowances and exemptions in accordance with the Income Tax Act, 1961. Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.
- (ii) Deferred tax is determined by applying the balance sheet approach. Deferred tax assets and liabilities are recognised for all deductible temporary differences between the financial statements' carrying amount of existing assets and liabilities and their respective tax base. Deferred tax assets and liabilities are measured using the enacted tax rates or

tax rates that are substantively enacted at the reporting date. The effect on deferred tax assets and liabilities of a change in tax rates is recognised in the period that includes the enactment date. Deferred tax assets are only recognised to the extent that it is probable that future taxable profits will be available against which the temporary differences can be utilised. Such assets are reviewed at each reporting date to reassess realisation. Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities.

q. Provisions and contingent liabilities

The Company creates a provision when there is present obligation (legal or constructive) as a result of past events that probably requires an outflow of resources and a reliable estimate can be made of the amount of obligation.

Contingent liabilities are disclosed in respect of possible obligations that arise from past events, whose existence would be confirmed by the occurrence or non-occurrence of one or more uncertain future events. Contingent assets are neither recognised nor disclosed in the financial statements.

r. Impairment of non financial assets

As at each reporting date, the Company assesses whether there is an indication that a non-financial asset may be impaired and also whether there is an indication of reversal of impairment loss recognised in the previous periods. If any indication exists, or when annual impairment testing for an asset is required, the Company determines the recoverable amount and impairment loss is recognised when the carrying amount of an asset exceeds its recoverable amount. If the amount of impairment loss subsequently decreases and the decrease can be related objectively to an event occurring after the impairment was recognised, then the previously recognised impairment loss is reversed through the statement of profit and loss.

s. Leases

The Company, as a lessee, recognises a right-of-use asset for its leasing arrangements, if the contract conveys the right to control the use of an identified asset.

The contract conveys the right to control the use of an identified asset, if it involves the use of an identified asset and the Company has substantially all of the economic benefits from use of the asset and has right to direct the use of the identified asset.

The cost of the right-of-use asset shall comprise of the amount of the initial measurement of the lease liability adjusted for any lease payments made at or before the commencement date plus any initial direct costs incurred. The right-of-use assets is subsequently measured at cost less any accumulated depreciation, accumulated impairment losses, if any and adjusted for any remeasurement of the lease liability. The right-of-use assets is depreciated using the straight-line method from the commencement date over the shorter of lease term or useful life of right-of-use asset.

t. Earnings Per Share

- (i) Basic earnings per share is computed by dividing the net profit or loss for the period attributable to the equity shareholders of the Company by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period and for all periods presented is adjusted for events, such as bonus shares, other than the conversion of potential equity shares that have changed the number of equity shares outstanding, without a corresponding change in resources.
- (ii) For the purpose of calculating diluted earning per share, the net profit or loss for the period attributable to the equity shareholders and the weighted average number of equity shares outstanding during the period is adjusted for the effects of all dilutive potential equity shares.

u. Segment reporting

The Company publishes this financial statement along with the consolidated financial statements. In accordance with Ind AS 108, Operating Segments, the Company has disclosed the segment information in the consolidated financial statements.

NOTE 33 : FINANCIAL RISK MANAGEMENT

The Company's activities expose it to credit risk, liquidity risk and market risk.

Risk	Exposure arising from	Measurement	Management
Credit Risk	Cash and cash equivalents, financial assets and trade receivables	Credit ratings/ Aging analysis, credit evaluation	Diversification of counter parties, investment limits, check on counter parties basis credit rating and number of overdue days
Liquidity Risk	Other liabilities	Maturity analysis	Maintaining sufficient cash/cash equivalents and marketable securities
Market Risk	Financial assets and liabilities not denominated in INR	Sensitivity analysis	Constant evaluation and proper risk management policies

The Board provides guiding principles for overall risk management as well as policies covering specific areas such as foreign exchange risk, credit risk and investment of surplus liquidity.

A. CREDIT RISK :

Credit risk refers to the risk of a counter party default on its contractual obligation resulting into a financial loss to the Company. The maximum exposure of the financial assets represents trade receivables, work in progress and other receivables.

In respect of trade receivables, the Company uses a provision matrix to compute the expected credit loss allowances for trade receivables in accordance with the expected credit loss (ECL) policy of the Company. The Company regularly reviews trade receivables and necessary provisions, wherever required, are made in the financial statements.

B. LIQUIDITY RISK :

Liquidity risk is the risk that the Company will encounter difficulty in raising funds to meet its commitments associated with financial instruments. Liquidity risk may result from an inability to sell a financial assets quickly at close to its fair value.

The Company manages liquidity risk by maintaining adequate reserves and banking facilities by continuously monitoring forecast and actual cash flows and by matching the maturity profiles of financial assets and liabilities.

Contractual maturities of significant financial liabilities are as follows:

(Rs. in Lacs)

Particulars	Less than or equal to one year	more than one year	Total

Other financial liabilities	113.04	3.53	116.57
Total financial liabilities	8,745.09	1,692.60	10,437.69

C. Market Risk :

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Such changes in the values of financial instruments may result from changes in foreign currency exchange rates, interest rates, credit, liquidity and other market changes.

The Company has several balances in foreign currency and consequently, the Company is exposed to foreign exchange risk. The Company evaluates exchange rate exposure arising from foreign currency transactions and follows established risk management policies.

(a) Interest Rate Risk :

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's long-term debt obligations with floating interest rates. The Company manages its interest rate risk by having a balanced portfolio of fixed and variable rate loans and borrowings.

(b) Interest Rate Sensitivity :

The following table demonstrates the sensitivity to a reasonably possible change in interest rates on that portion of loans and borrowings affected. With all other variables held constant, the Company's profit before tax is affected through the impact on floating rate borrowings, as follows:

(Rs. in Lacs)

Particulars	Increase/decrease in basis points	Effect of profit before tax
March 31, 2024	+100	74.24
	-100	(74.24)
March 31, 2023	+100	64.84
	-100	(64.84)

Company's exposure to foreign currency risk at the end of each reporting period is as under:

(c) Exposure in foreign currency –Unhedged

(Rs. in Lacs)

Currency	31st March 2024	31st March 2023
Option Contract - Sell		
USD	4.98	2.26
EURO	5.29	2.23

(d) Foreign currency sensitivity :

The Company is mainly exposed to changes in USD and EURO. The below table demonstrates the sensitivity to a 5% increase or decrease in the USD and EURO against INR, with all other variables held constant. The sensitivity analysis is prepared on the net unhedged exposure of the Company as at reporting date. 5% represents management's assessment of reasonably possible change in foreign exchange rate.

NOTE 34 : CAPITAL MANAGEMENT

The Company's capital management objective is to maximize the total shareholders' returns by optimizing cost of capital through flexible capital structure that supports growth. Further, the Company ensures optimal credit risk profile to maintain/enhance credit rating.

The Company determines the amount of capital required on the basis of annual operating plan and long-term strategic plans. The funding requirements are met through internal accruals and long-term/short-term borrowings. The Company monitors the capital structure on the basis of net debt to equity ratio and maturity profile of the overall debt portfolio of the company.

The following table summarizes the capital of the Company:

INVESTMENT & PRECISION CASTINGS LIMITED

Report on the Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of **Investment & Precision Castings Limited** ("the Holding Company") and its wholly-owned subsidiary, I&PCL Vacuum Cast Limited (the Holding Company and its subsidiary together referred to as "the Group"), which comprise the Consolidated Balance Sheet as at 31st March 2024, the consolidated statement of profit and loss including other comprehensive income, the consolidated statement of changes in equity and the consolidated cash flow statement for the year then ended and notes to the consolidated financial statements, a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the reports of other auditors on separate financial statements of the subsidiary referred to in the Other Matters paragraph below, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and the other accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at 31st March 2024, of its consolidated profit including other comprehensive income, consolidated changes in equity and consolidated cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Company in

accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the Rules made there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the consolidated financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in our forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined the matters described below to be the key audit matters to be communicated in our report:

Key Audit Matter

Revenue from the sale of goods ("Revenue") is recognized when the Company performs its obligation to its customers, the amount of revenue can be measured reliably and recovery of the consideration is probable. The timing of such recognition is when the control over the same is transferred to the customer, which is mainly upon delivery. The timing of revenue recognition is relevant to the reported performance of the Company.

Auditor's Response

Our audit approach was a combination of test of internal controls and substantive procedures including assessing the appropriateness of the Company's revenue recognition accounting policies in line with Ind AS 115 ("Revenue from Contracts with Customers") and testing thereof; evaluating the integrity of the general information and control environment and testing the operating effectiveness of key controls.

Information Other than the Consolidate Financial Statements and Auditor's Report Thereon

The Holding Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the

Board's Report including Annexures to Board's Report, Management Discussion and Analysis, Shareholder's Information, but does not include the consolidated financial statements and auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Consolidate Financial Statements

The Holding Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated changes in equity and consolidated cash flows of the Group in accordance with the Ind AS and accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included

in the Group are responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group are also responsible for overseeing financial reporting process of the Group.

Auditor's Responsibility for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is high level of assurance, but is not a guarantee that audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatements of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of the internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosure, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities or business activities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audit carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the Holding Company regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our

independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication

Other Matters

The consolidated financial statements include financial statements of a wholly-owned subsidiary which reflect total assets of Rs. 11.08 lacs as at 31st March, 2024, total revenues of NIL and net loss after tax (including other comprehensive income) of Rs. 1.39 lacs for the year as considered in the Consolidated Financial Statements. These financial statements are audited by other auditors whose report has been furnished to us by the management and our opinion on the consolidated financial statements in so far as it relates to the amounts and disclosures included in respect of this subsidiary and our report in terms of sub-section (3) of Section 143 of the Act, in so far as it relates to aforesaid subsidiary is based solely on the report of the other auditors.

Our opinion on the consolidated financial statements above and our report on other Legal and Regulatory Requirements below is not modified in respect of the these matters.

Report on Other Legal and Regulatory Requirements

- 1 With respect to the matters specified in clause (xxi) of paragraph 3 and paragraph 4 of the Companies (Auditor's Report) Order, 2020 ("CARO"/"the Order") issued by the Central Government in terms of Section 143(11) of the Act, according to the information and explanations given to us, and based on the CARO reports issued by us and the auditors of the respective companies included in the consolidated financial statements to which reporting under CARO is applicable, as provided to us by the Management of the Holding Company, we report that there are no qualifications or adverse remarks by the respective auditors in the CARO

reports of the said respective companies included in the consolidated financial statements except following:

2. As required by section 143(3) of the Act, based on our audit and on the consideration of the reports of the other auditors on the separate financial statements of the subsidiaries referred to in the Other Matters section above we report, to the extent applicable that :

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
- c) The consolidated balance sheet, the consolidated statement of profit and loss including other comprehensive income, the consolidated statement of changes in equity and the consolidated cash flow statement dealt with by this report are in agreement with the books of account;
- d) In our opinion, the aforesaid consolidated financial statements comply with the Indian Accounting Standards specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2015;

- e) On the basis of the written representations received from the directors as on 31st March 2024 and taken on record by the Board of Directors of the Holding Company and the report of statutory auditors of its subsidiary company incorporated in India, none of the directors of the Group is disqualified as on 31st March 2024, from being appointed as a director in terms section 164(2) of the Act;
- f) With respect to the adequacy of internal financial controls over financial reporting of the Holding Company and its subsidiary incorporated in India and operating effectiveness of such controls, our separate report in annexure – A may be referred
- g) In our opinion and to the best of our information and according to the explanations given to us and according to the reports of the statutory auditors of the subsidiary company incorporated in India, remuneration paid by the Holding Company and its subsidiary company incorporated in India, to its directors during the year is in accordance with the provisions of section 197 of the Act.
- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanation given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its consolidated financial statements;
 - ii. The Company did not have any long-term contracts including derivatives contracts for which there were any material foreseeable losses;
 - iii. There has been no delay in transferring the amounts, required to be transferred, to the Investor Education and Protection Fund by the Holding company or its subsidiary incorporated in India.

ANNEXURE – A TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 2 (f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

We have audited the internal financial controls over financial reporting of **Investment & Precision Castings Limited** (“the Holding Company”) and its wholly-owned subsidiary, I&PCL Vacuum Cast Limited (the Holding Company and its subsidiary together referred to as “the Group”) which are companies incorporated in India as of 31st March, 2024 in conjunction with our audit of the consolidated financial statements of the Group for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding Company and its subsidiary which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (“the Guidance Note”) issued by the Institute of Chartered Accountants of India (“the ICAI”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Group's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by the ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the ICAI. Those Standards and the

Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors' judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors of the subsidiary company, which is company incorporated in India, in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Holding Company and its subsidiary company, which is company incorporated in India.

Meaning of Internal Financial Controls Over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of consolidated Ind AS financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that –

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in

accordance with authorisations of management and directors of the company; and

(3) Provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Holding Company and its subsidiary company which is company incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2024, based on the internal control over financial reporting criteria established by the Group considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

Other Matters

Our aforesaid report under section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal controls over financial reporting in so far as it relates to subsidiary incorporated in India, is based solely on the corresponding reports of the statutory auditors of such company. Our opinion is not modified in respect of this matter.

Notes forming part of the consolidated financial statements for the year ended 31st March 2024

COMPANY INFORMATION

Investment & Precision Castings Limited (the 'Company') is a public limited Company domiciled in India and incorporated on 3rd April 1975 under the provisions of the Companies Act applicable in India. The Holding Company together with its subsidiary (collectively referred as the "Group") is engaged in the production of investment castings. The registered office of the Company is located at Nari Road, Bhavnagar – 364 006. The equity shares of the Company are listed on Bombay Stock Exchange (BSE).

The consolidated financial statements ('the financial statements') were authorized for issue in accordance with the resolution of the Board of Directors of the Company on 29th May, 2024.

1 BASIS OF PREPARATION, MEASUREMENT AND SIGNIFICANT ACCOUNTING POLICIES

1.1 Basis of preparation and measurement:

These consolidated financial statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified by Ministry of Corporate Affairs pursuant to section 133 of the Companies Act, 2013 and the Companies (Indian Accounting Standards) Rules, 2015, as applicable.

The consolidated financial statements have been prepared on accrual and going concern basis. The accounting policies are applied consistently to all the periods presented in the financial statements. All assets and liabilities have been classified as current or non-current as per the Group's normal operating cycle and other criteria as set out in the Division II of Schedule III to the Companies Act, 2013. The Group adopts operating cycle based on the project period and accordingly, all project related assets and liabilities are classified into current and non-current. The Group considers 12 months as normal operating cycle.

The Group's financial statements are reported in Indian Rupees, which is also the Group's functional currency, and all values are rounded to the nearest lacs except otherwise indicated

1.2 Basis for consolidation:

The financial statements are prepared using uniform accounting policies for like transactions and other events in similar circumstances. If a member of the group uses accounting policies other than those adopted in the consolidated financial statements, appropriate

adjustments are made to that group member's financial statements in preparing the consolidated financial statements to ensure conformity with the group's accounting policies.

The financial statements of the subsidiary used for the purpose of consolidation are drawn up to same reporting date as that of the parent company.

These consolidated financial statements include results of a wholly-owned subsidiary company, I&PCL Vacuum Cast Limited consolidated in accordance with Ind AS 110 "Consolidated Financial Statements" and have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under section 133 of the Act.

The consolidated financial statements have been prepared on the following basis:

Subsidiaries

- A subsidiary is an entity over which the Company has control. The Company controls an entity when the Company is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to affect those returns through its power to direct the relevant activities of the entity. Subsidiaries are fully consolidated from the date on which control is transferred to the Company.
- The Company combines the financial statements of the parent and its wholly-owned subsidiary company on a line by line basis, adding together like items of assets, liabilities, equity, income and expenses. Inter-company transactions, balances and unrealized gains on transactions among the Group are eliminated. Unrealized losses are also eliminated unless the transaction provides evidence of an impairment of the transferred asset. Accounting policies of subsidiaries are consistent with the policies adopted by the Company.
- A change in the ownership interest of a subsidiary, without loss of control, is accounted for as an equity transaction. If the Company loses control over a subsidiary, it derecognizes the assets, liabilities, carrying amount of any non-controlling interests and the cumulative translation differences recorded in equity.

1.3 Significant accounting policies:

a. System of accounting

The financial statements of the Group are prepared in accordance with Indian Accounting Standards (Ind AS), under the historical cost convention on the accrual basis as per the provisions of Companies Act, 2013 ("Act"), except in case of significant uncertainties.

b. Key accounting estimates

The preparation of the financial statements, in conformity with the recognition and measurement principles of Ind AS, requires the management to make estimates and assumptions in the application of accounting policies that affect the reported amounts of assets, liabilities, income, expenses and disclosure of contingent liabilities as at the date of financial statements and the results of operation during the reported period. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates which are recognised in the period in which they are determined.

The Group based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Group. Such changes are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

Estimates and judgements are regularly revisited. Estimates are based on historical experience and other factors, including futuristic reasonable information that may have a financial impact on the Group.

c. Property, plant and equipment

- (i) Property, plant and equipment are stated at historical cost of acquisition including attributable interest and finance costs, if any, till the date of acquisition/installation of the assets (except certain class of asset which are measured at fair value as on 1st April, 2016, the date of transition to Ind AS, as deemed cost) less accumulated depreciation and accumulated impairment losses, if any.
- (ii) Subsequent expenditure relating to property, plant and equipment is capitalised only when it is probable that future economic benefits associated with the item will flow to the Group and the cost of the item can be measured reliably. All other repairs and maintenance costs are charged to the statement of profit and loss as incurred.
- (iii) The cost and related accumulated depreciation are eliminated from the financial statements, either on disposal or when retired from active use and the resultant gain or loss are recognised in the statement of profit and loss.
- (iv) Capital work-in-progress representing expenditure incurred in respect of assets under development and

not ready for their intended use, are carried at cost. Cost includes related acquisition expenses, construction cost, related borrowing cost and other direct expenditure.

- (v) The Group depreciates property, plant and equipment on straight line value method over the estimated useful life prescribed in Schedule II of the Companies Act, 2013 from the date the assets are ready for intended use after considering the residual value.
- (vi) Intangible assets mainly represent implementation cost for software and other application software acquired/developed for in-house use and technical know-how of the Company. These assets are stated at cost. Cost includes related acquisition expenses, related borrowing costs, if any, and other direct expenditure. Intangible assets are amortized over a useful period of life of the respective assets.
- (vii) Items of stores and spares that meet the definition of property, plant and equipment are capitalized at cost and depreciated over their useful life. Otherwise, such items are classified as inventories.
- (viii) Losses arising from the retirement of and gains or losses arising from disposal of property, plant and equipment which are carried at cost are recognised in the Statement of Profit and Loss.
- (ix) Property, plant and equipment and intangible assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use. For the purposes of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or groups of assets (cash-generating units).

d. Investments properties

- a) Property which is held for long-term rental or for capital appreciation or both is classified as Investment Property. Investment properties are measured initially at cost, including transaction costs. Subsequent to initial recognition, investment properties are stated at cost less accumulated depreciation and accumulated impairment loss, if any.
- b) Investment properties currently comprise of building.

- c) Investment properties are derecognised either when they have been disposed of or when they are permanently withdrawn from use and no future economic benefit is expected from their disposal. The difference between the net disposal proceeds and the carrying amount of the asset is recognised in Statement of Profit and Loss in the period in which the property is derecognised.

e. Investments and financial assets

Financial assets are recognised when the Company becomes a party to the contractual provisions of the instrument.

On initial recognition, a financial asset is recognised at fair value, in case of financial assets which are recognised at fair value through profit and loss (FVTPL), its transaction costs are recognised in the statement of profit or loss. In other cases, the transaction costs are attributed to the acquisition value of financial asset. However, trade receivables that do not contain a significant financing component are measured at transaction price.

Financial assets are subsequently classified measured at

- amortised cost
- fair value through profit and loss (FVTPL)
- fair value through other comprehensive income (FVOCI).

Financial assets are not reclassified subsequent to their recognition except if and in the period the Company changes its business model for managing financial assets.

Financial asset is derecognised only when the Company has transferred the rights to receive cash flows from the financial asset. Where the entity has transferred the asset, the Company evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, financial asset is derecognised.

In accordance with Ind AS 109, the Company applies the expected credit loss ("ECL") model for measurement and recognition of impairment loss on financial assets and credit risk exposures. The Company follows 'simplified approach' for recognition of impairment loss allowance on trade receivables. Simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECL at each reporting date, right from its initial recognition. For recognition of impairment loss on other financial assets and risk exposure, the Company determines that whether there has been a significant increase in the credit risk since initial recognition.

f. Inventories

- (i) Raw materials and stores and spares are valued at weighted average cost, including all charges in bringing the materials to the present location, or net realizable value, whichever is lower.
- (ii) Finished goods and work-in-progress are valued at material cost plus direct expenses and appropriate value of overheads or net realizable value, whichever is lower.
- (iii) Obsolete, slow moving and defective inventories are written off/valued at net realisable value during the year as per policy consistently followed by the Company.

g. Cash and cash equivalents

Cash and cash equivalents in the balance sheet comprises of balance with banks and cash on hand and short term deposits with an original maturity of three month or less, which are subject to insignificant risks of changes in value.

h. Trade receivables

A receivable is classified as a trade receivable if it is in respect of the amount due on account of goods sold or services rendered in the normal course of business. Trade receivables are recognised initially at their transaction price and subsequently measured net of any expected credit losses.

i. Financial liabilities

- (i) Financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument. Financial liabilities are initially measured at the amortised cost unless at initial recognition, they are classified as fair value through profit and loss.
- (ii) Financial liabilities are subsequently measured at amortised cost using the Effective Interest Rate (EIR) method. Financial liabilities carried at fair value through profit and loss are measured at fair value with all changes in fair value recognised in the statement of profit and loss.
- (iii) Financial liabilities are derecognised when the obligation specified in the contract is discharged, cancelled or expired.

j. Trade payables

A payable is classified as a trade payable if it is in respect of the amount due on account of goods purchased or services received in the normal course of business. These amounts represent liabilities for goods and services provided to the Company prior to the end of the financial year which are unpaid. These amounts are unsecured

and are usually settled as per the payment terms. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period.

k. Revenue Recognition

- (i) Revenue towards satisfaction of a performance obligation is measured at the amount of transaction price (net of variable consideration) allocated to that performance obligation. The transaction price of goods sold and services rendered is net of variable consideration on account of various discounts and schemes offered by the Company as part of contract.
- (ii) Revenue is measured based on transaction price, which is the fair value of the consideration received or receivable, stated net of discounts, return and goods & service tax. Transaction price is recognised based on the price specified in the contract, net of the estimated sales incentives/discounts.
- (iii) Domestic sales are accounted for on dispatch from point of sale corresponding to transfer of significant risks and rewards of ownership to the buyer. Export sales are recognised on the date of mate's receipt/shipped on board signifying transfer of risks and rewards of ownership to the buyer as per terms of sales and initially recorded at the relevant exchange rates prevailing on the date of transaction.
- (iv) Export incentives are accounted for on export of goods if the entitlements can be estimated with reasonable accuracy and conditions precedent to claim are reasonably expected to be fulfilled.
- (v) Revenue in respect of other income is recognised on accrual basis. However, where the ultimate collection of the same lacks reasonable certainty, revenue recognition is postponed to the extent of uncertainty.

l. Foreign currency transactions

- (i) Items included in the financial statements are measured using the currency of primary economic environment in which the company operates ("the functional currency"). The financial statements are presented in Indian Rupee (INR), which is the company's functional and presentation currency.
- (ii) Foreign currency transactions are initially recorded in the reporting currency at foreign exchange rate on the date of the transaction.
- (iii) Monetary items of current assets and current liabilities denominated in foreign currencies are reported using the closing rate at the reporting date. Non-monetary items which are carried in terms of historical cost denominated in a foreign currency are

reported using the exchange rate at the date of the transaction.

- (iv) The gain or loss on decrease/increase in reporting currency due to fluctuations in foreign exchange rates are recognised in the statement of profit or loss.

m. Employee benefit expenses

- (i) Contributions to defined contribution schemes such as provident fund, employees' state insurance, labour welfare fund etc. are charged as an expense based on the amount of contribution required to be made as and when services are rendered by the employees. These benefits are classified as defined contribution schemes as the Company has no further obligations beyond the monthly contributions.
- (ii) The Company provides for gratuity which is a defined benefit plan, the liabilities of which are determined based on valuations, as at the reporting date, made by an independent actuary using the projected unit credit method. Re-measurement comprising of actuarial gains and losses, in respect of gratuity are recognised in the other comprehensive income in the period in which they occur. The classification of the Company's obligation into current and non-current is as per the actuarial valuation report.
- (iii) The employees are entitled to accumulate leave subject to certain limits, for future encashment and availment, as per the policy of the Company. The liability towards such unutilised leave as at the end of each balance sheet date is determined based on independent actuarial valuation and recognised in the Statement of Profit and Loss.

n. Borrowing costs

Borrowing costs consist of interest and other costs that the Company incurs in connection with the borrowing of funds. Also, the effective interest rate amortisation is included in finance costs. Borrowing costs relating to acquisition, construction or production of a qualifying asset which takes substantial period of time to get ready for its intended use are added to the cost of such asset to the extent they relate to the period till such assets are ready to be put to use. All other borrowing costs are expensed in the statement of profit and loss in the period in which they occur.

o. Taxation

- (i) Current income tax is recognised based on the estimated tax liability computed after taking credit for allowances and exemptions in accordance with the Income Tax Act, 1961. Current income tax assets and liabilities are measured at the amount expected

to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

- (ii) Deferred tax is determined by applying the balance sheet approach. Deferred tax assets and liabilities are recognised for all deductible temporary differences between the financial statements' carrying amount of existing assets and liabilities and their respective tax base. Deferred tax assets and liabilities are measured using the enacted tax rates or tax rates that are substantively enacted at the reporting date. The effect on deferred tax assets and liabilities of a change in tax rates is recognised in the period that includes the enactment date. Deferred tax assets are only recognised to the extent that it is probable that future taxable profits will be available against which the temporary differences can be utilised. Such assets are reviewed at each reporting date to reassess realisation. Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities.

p. Provisions and contingent liabilities

The Company creates a provision when there is present obligation (legal or constructive) as a result of past events that probably requires an outflow of resources and a reliable estimate can be made of the amount of obligation.

Contingent liabilities are disclosed in respect of possible obligations that arise from past events, whose existence would be confirmed by the occurrence or non-occurrence of one or more uncertain future events. Contingent assets are neither recognised nor disclosed in the financial statements.

q. Impairment of non financial assets

As at each reporting date, the Company assesses whether there is an indication that a non-financial asset may be impaired and also whether there is an indication of reversal of impairment loss recognised in the previous periods. If any indication exists, or when annual impairment testing for an asset is required, the Company determines the recoverable amount and impairment loss is recognised when the carrying amount of an asset exceeds its recoverable amount. If the amount of impairment loss subsequently decreases and the decrease can be related objectively to an event occurring after the impairment was recognised, then the previously recognised impairment loss is reversed through the statement of profit and loss.

r. Leases

The Group, as a lessee, recognises a right-of-use asset for its leasing arrangements, if the contract conveys the right to control the use of an identified asset.

The contract conveys the right to control the use of an identified asset, if it involves the use of an identified asset and the Company has substantially all of the economic benefits from use of the asset and has right to direct the use of the identified asset. The cost of the right-of-use asset shall comprise of the amount of the initial measurement of the lease liability adjusted for any lease payments made at or before the commencement date plus any initial direct costs incurred. The right-of-use assets is subsequently measured at cost less any accumulated depreciation, accumulated impairment losses, if any and adjusted for any remeasurement of the lease liability. The right-of-use assets is depreciated using the straight-line method from the commencement date over the shorter of lease term or useful life of right-of-use asset.

s. Earnings Per Share

- (i) Basic earnings per share is computed by dividing the net profit or loss for the period attributable to the equity shareholders of the Company by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period and for all periods presented is adjusted for events, such as bonus shares, other than the conversion of potential equity shares that have changed the number of equity shares outstanding, without a corresponding change in resources.
- (ii) For the purpose of calculating diluted earning per share, the net profit or loss for the period attributable to the equity shareholders and the weighted average number of equity shares outstanding during the period is adjusted for the effects of all dilutive potential equity shares.

t. Segment reporting

Operating Segments are reported in manner which is consistent with the internal reporting system of the Company. The Chief Operating Decision Maker (CODM) is responsible for allocating the resources and reviews performance.

NOTE 32 : FINANCIAL RISK MANAGEMENT

The Group's activities expose it to credit risk, liquidity risk and market risk.

Risk	Exposure arising from	Measurement	Management
Credit Risk	Cash and cash equivalents, financial assets and trade receivables	Credit ratings/ Aging credit analysis, evaluation	Diversification of counter parties, investment limits, check on counter parties basis credit rating and number of overdue days
Liquidity Risk	Other liabilities	Maturity analysis	Maintaining sufficient cash/cash equivalents and marketable securities
Market Risk	Financial assets and liabilities not denominated in INR	Sensitivity analysis	Constant evaluation and proper risk management policies

The Board provides guiding principles for overall risk management as well as policies covering specific areas such as foreign exchange risk, credit risk and investment of surplus liquidity.

A. CREDIT RISK :

Credit risk refers to the risk of a counter party default on its contractual obligation resulting into a financial loss to the Company. The maximum exposure of the financial assets represents trade receivables, work in progress and other receivables.

In respect of trade receivables, the Company uses a provision matrix to compute the expected credit loss allowances for trade receivables in accordance with the expected credit loss (ECL) policy of the Group. The Group regularly reviews trade receivables and necessary provisions, wherever required, are made in the financial statements.

B. LIQUIDITY RISK :

Liquidity risk is the risk that the Group will encounter difficulty in raising funds to meet its commitments associated with financial instruments. Liquidity risk may result from an inability to sell financial assets quickly at close to its fair value.

The Group manages liquidity risk by maintaining adequate reserves and banking facilities by continuously monitoring forecast and actual cash flows and by matching the maturity profiles of financial assets and liabilities.

Contractual maturities of significant financial liabilities are as follows:

			(Rs.in Lacs)
Particulars	Less than or equal to one year	more than one year	Total
As on 31st March 2024			
Financial liabilities			
Long term borrowings	-	1,227.99	1,227.99
Short term borrowings	6,195.97	-	6,195.97
Trade payables	2,192.53	-	2,192.53
Other financial liabilities	114.49	5.42	119.91
Total financial liabilities	8,502.99	1,233.41	9,736.40
As on 31st March 2023			
Financial Liabilities			
Long term borrowings	-	1689.07	1,689.07
Short term borrowings	4,795.26	-	4,795.26
Trade payables	3,828.01	-	3828.01
Other financial liabilities	113.04	3.53	116.57
Total financial liabilities	8,736.31	1,692.60	10,428.91

C. Market Risk :

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Such changes in the values of financial instruments may result from changes in foreign currency exchange rates, interest rates, credit, liquidity and other market changes.

The Group has several balances in foreign currency and consequently, the group is exposed to foreign exchange risk. The Group evaluates exchange rate exposure arising from foreign currency transactions and follows established risk management policies.

(a) Interest Rate Risk :

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Group's exposure to the risk of changes in market interest rates relates primarily to the Group's long-term debt obligations with floating interest rates. The Group manages its interest rate risk by having a balanced portfolio of fixed and variable rate loans and borrowings.

(b) Interest Rate Sensitivity :

The following table demonstrates the sensitivity to a reasonably possible change in interest rates on that portion of loans and borrowings affected. With all other variables held constant, the Group's profit before tax is affected through the impact on floating rate borrowings, as follows:

			(Rs. in Lacs)
Particulars	Increase/decrease in basis points	Effect of profit before tax	
March 31, 2024	+100	74.24	
	-100	(74.24)	
March 31, 2023	+100	64.84	
	-100	(64.84)	

Group's exposure to foreign currency risk at the end of each reporting period is as under:

(d) Exposure in foreign currency - Unhedged

Currency	(Rs. in Lacs)	
	31st March 2024	31st March 2023
Option Contract – Sell		
USD	4.98	2.26
EURO	5.29	2.23

(e) Foreign currency sensitivity :

The Group is mainly exposed to changes in USD and EURO. The below table demonstrates the sensitivity to a 5% increase or decrease in the USD and EURO against INR, with all other variables held constant. The sensitivity analysis is prepared on the the net unhedged exposure of the Company as at reporting date. 5% represents management's assessment of reasonably possible change in foreign exchange rate.

	EURO	-5%	(9.96)

NOTE 33 : CAPITAL MANAGEMENT

The Group's capital management objective is to maximize the total shareholders' returns by optimizing cost of capital through flexible capital structure that supports growth. Further, the Group ensures optimal credit risk profile to maintain/enhance credit rating.

The Group determines the amount of capital required on the basis of annual operating plan and long-term strategic plans. The funding requirements are met through internal accruals and long-term/short-term borrowings. The Group monitors the capital structure on the basis of net debt to equity ratio and maturity profile of the overall debt portfolio of the company.

The following table summarizes the capital of the Group:

NOTE 38 : SEGMENT REPORTING

The Group is organised into business units based on its products and services and has identified two reportable segments as follows:

- a) Investment Castings
- b) Wind Mill

The management monitors the operating results of its business units separately for the purpose of making decisions about resource allocation and performance assessment. Segment performance is evaluated based on profit or loss and is measured consistently with profit or loss in the financial statements. The Group's financing (including finance costs and finance income) and income taxes are managed on a Group basis and are not allocated to operating segments.
